

Name Key

Ch.7-"Comparing the Colonies" Review

1. British was the name given to the government and people of Great Britain.
 2. The three large areas into which the 13 British colonies were divided were called colonial regions.
 3. A colony's economy was the way in which an area's goods and services are produced, bought and sold.
 4. A democratic government is one in which the power lies with the people.
 5. Massachusetts was founded to protect a certain group of people. Who were they? Pilgrims
Puritans
 6. What was the main reason that Rhode Island was founded?
Religious Freedom
 7. For what reason did the British want New York?
English settlers to move westward
 8. The Quakers were mistreated in England. Why?
Their religious beliefs were different
 9. In the colony of Maryland, there were many mosquitos that spread disease.
 10. What was the main reason that Georgia was founded?
To provide a place for the poor people to avoid jail for debt
- For problems 11-13, write New England, Middle, or Southern to indicate which colonial region is being described.
11. In the New England colony, colonists found rocky soil, plentiful forests and easy access to the sea.
 12. The Southern colony had large plantations for growing tobacco and rice.
 13. There was rich soil for raising wheat, available minerals, cold winters and hot summers in the Middle colony.
